

# 2012 Camelid Conference

*sponsored by*

Tennessee Alpaca Association (TAA) and  
University of Tennessee College of Veterinary Medicine, Department of Large Animal Clinical Sciences

**Saturday, March 31, 2012, from 9:00 AM to 5:00 PM**  
**Hollingsworth Auditorium**

Make plans to join us for this informative seminar! Alpaca and llama owners and their veterinarians will learn about specific health concerns of camelids and the latest research at UT. Veterinarians will earn Continuing Education Credits (CEUs). And, you asked for it! The program includes FAMACHA training for parasite monitoring with a hands on lab session.

Directions: Take I-40 to Knoxville. Exit on Alcoa Highway (Hwy 129) South. Take the Neyland Drive exit, and turn left at the light at the bottom of the ramp, then left onto Joe Johnson Dr. Look for signs to the lecture room, Hollingsworth Auditorium.

The day will also include a silent-auction fundraiser for the UT llama and alpaca research program. Please bring an item to donate for the auction and/or solicit an item from a local business that might be of interest to llama and alpaca owners and veterinarians.

Registration deadline is Monday, March 26 – email [tnalpaca@comcast.net](mailto:tnalpaca@comcast.net) if you plan to pay at the door. We need a headcount for food and handouts and to order the FAMACHA cards. Be sure to invite your veterinarian!

8:30-9 AM	Registration
9-9:45 AM	Anthelmintics and development of resistance – Dr. Craig Reinemeyer
9:45-10:15 AM	Meningeal worm – Dr. Claudia Cruz
10:15-10:45 AM	The Down Camelid: Potential Causes – Dr. Eva McElligott
10:45-11 AM	Break
11-11:30 AM	On-Farm Management of Emergencies – Dr. Ricardo Videla
11:30 AM – 12 PM	Haemonchus: Updates on Moxidectin Research – Dr. Christine Cocquyt
12-1:30 PM	Lunch
1:30-4 PM	The FAMACHA Method: Overview and Hands-on Labs

---
